We take this opportunity to introduce ourselves as one of the leading manufacturers of Blow Moulded Containers. We have established ourselves in this field for last 25 years catering to the packaging requirements of large number of quality conscious multinational companies.

Our containers are available in all size range from 5 ltrs containers to 50 ltrs containers in various colours with narrow mouth, wide mouth and full open top, ideal for storage of liquids, powder and solid products.

Our manufacturing facility is located at TALOJA MIDC to cater to the packaging requirements of the industries in and around Maharashtra.

Our existing customers are M/s TechNova Imaging Systems, M/s Pidilite Industries Ltd, M/s Galaxy Chemicals Ltd, M/s Gramos Industries and so on.

We hope you will find our products suitable for your packaging requirements. We will be pleased to render our services to your esteemed organization.

If you need any further information regarding our products please feel free to contact us at the below given address and telephone. Looking forward to your inquiries.
